

# The Trail of the Gnu TSD Rally

**SATURDAY, MARCH 27TH, 2010  
ROCKY MOUNTAIN HOUSE, ALBERTA**

The Trail of the Gnu is a long running TSD Rally hosted by the Calgary Sports Car Club that has undergone a bit of a revival in the last 7 years. Details and Supplementary Regulations available shortly at: <http://www.trailofthegnu.ca>

## GNU FACTS:

- Round 2 of the BC TSD Championship, Round 1 of the Rallywest TSD Championship
- Average entry (last 3 years) of approximately 25 teams, expecting to welcome even more this year.
- General format of the event is 1 long day of gnarly stages followed by a party with lots of prizes.
- We've lengthened things by a couple of hours this year... expect to really need those lights, and a night's rest afterwards before heading home Sunday morning is a really good idea. Did we mention there's a party?
- The classic Corkscrew Mountain Regularity is back. Leave the studs in the tires and bring tow straps.
- Our Sweep volunteers have a great time every year.
- Organizers: Eric Grochowski ([errik1@gmail.com](mailto:errik1@gmail.com)) and Kris Schofield ([istarallysport@gmail.com](mailto:istarallysport@gmail.com)).
